

SONG FOR AYE AYE

Thank You For The Music (Abba song)

You're very special... in fact ... what can we say more
Your generous heart, you've probably heard it before.
Yes you've got a talent, a wonderful thing
you bring us together by simply sharing
We're so grateful and proud
You've thought us to **shout rights out loud**...

So Aye Aye.....

Thank you for your knowledge, your passionate living
Thanks for all the joy you've been giving ...
what we'll do without you - the spirit of dignity – you gave energy.
Without your work and your fun, we will see
so we say thank you for your spirit
you give so generously

Coming from Burma, you founded this group Dignity
You kept it alive by being a light constantly
You carried the torch from Kenya and more
Malaysia and Strasbourg you opened the doors
And this final program,
The last one with you in Amsterdam

Well Aye Aye

Thank you for your knowledge, your passionate living
Thanks for all the joy you're giving ...
what we'll do without you - the spirit of dignity – you gave energy.
Without your work and your fun, we will see
so we say thank you for your spirit
you give so generously

We've been so lucky; to have had your love and leadership
we wanna sing it out to everybody
what a joy! what a life! what a gift!

Thank you for your knowledge, your passionate living
Thanks for all the joy you've been giving ...
What we'll do without you - the spirit of dignity – you gave energy.
Without your work and your fun, we will see
so we say thank you for your spirit
you've given so generously

(First sung by Dignity trainers and participants of the 8th Annual Global Programme on Human Rights Based Development, 9 December 2009)
